Upcoming CCA Events - May & June 2017

Join CCA to hear about the next generation of living in Downtown at our next **Housing Panel & Showcase: Density Is Our Destiny**. Academics, planners, and environmentalists all agree cities are the best opportunity for sustainable growth. Access to mass transit, vertical living and walkable neighborhoods are characteristics of a city that will accommodate increased population. In Los Angeles, Downtown is this model city. It is the region's center for public transportation and is home to more high-rises than any other place in the city. **In Downtown, density is our destiny.**

Moderated by **Kerry Cavanaugh**, Los Angeles Times; with speakers **Councilmember José Huizar**, 14th District; **Paul Keller**, Mack Urban; and **Cindy Starrett**, Latham & Watkins. Additional speakers to be announced.
